Experience

Cache Valley Transit District / Logan – Driver

May 2023 – Present

I drive large city buses and operate para-transit buses. This requires

heavy machine conscientiousness and a constant awareness of the other drivers. It also requires social skills in helping passengers.

Kessler Enterprises / Downey – Driver

September 2023 – November 2023

I drove a semi for 10+ hours a day, 5-6 days a week. I also operated an excavator, loader, and other equipment. This required a dynamic ability to operate equipment and strong endurance.

Marquee IT / Orem – Computer Technician

October 2016 – February 2022

I helped customers solve computer issues and did maintenance work on computers. This required excellent social skills and a deep understanding of computers.

Education

Millard High School – Graduate

August 2007 – May 2012

I learned drafting software on computers, music, leadership skills. I learned a lot about using heavy equipment.

Achievements

State Rodeo – 3rd place

June 2023

We competed driving buses on a challenging obstacle course and on a knowledge test about laws and standards in bus driving. I achieved 3rd place among contestants from around the State. I excelled despite only recently getting my CDL.
